Dear Sir/ Madam,

**Subject: Reference for IPACS Medical Personal Protective Equipment testing equipment.**

Hangzhou Hongqi Medical Technology Co., Ltd is a world class Medical and Medical Equipment Testing Company in Hangzhou, Zhejiang, China. We have been operating since 1999 and have been servicing the healthcare and medical industries. In particular, we are an independent validation company for several hospitals in China.

IPACS is an Australian technology company with a proven track record in innovation and technology delivery across multiple industries like healthcare, pharmaceutical, mining and manufacturing. We approached IPACS back in 2016.

We have used IPACS medical personal protective equipment testing products for over three years. We are happy to provide IPACS reference for these products they have provided us. They have also supported the products very well.

Furthermore, IPACS is a very professional customer focussed company.

IPACS medical testing technologies have been proven extremely valuable, reliable and easy to use.

Based on this proven experience, we are happy to provide this reference letter.

We strongly recommend other customers to use IPACS products.

Yours sincerely,

Mr. Steven Xiao  
CEO  
Hangzhou Hongqi Medical Technology Co., Ltd
